

STATEWIDE VIRTUAL HIRING EVENT: MARCH 5, 10 AM – 3 PM

*With over **250,000 open jobs** across Virginia, Virginia Works' network of partners is committed to helping every Virginian navigate career transitions and helping employers find and hire talent. We're hosting a statewide virtual job fair through a platform called Premier Virtual. This event will connect jobseekers with employers across industries and geographies. It's flexible, focused, and effective... like an in-person job fair that has been recreated online!*

WHAT TO KNOW: FOR EMPLOYERS

Is there a deadline to register?

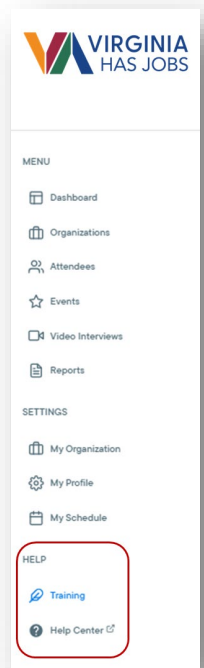

- Please set-up your virtual booths before early access begins at 12:00pm on March 5, 2025. [Click here to get started.](#)
- **New to the Premier Virtual platform?** Go to the "[Organization Training - Booth Set Up/ Registration / Best Practices](#)" Video for instructions on getting set up quickly.
- **Need to know more?** Training resources and technical assistance are a click away in on your dashboard in the Help menu under Training. Or, email HiringEvents@virginiaworks.gov to join an upcoming office hours session for real-time help with our team.

What can I expect?

- You'll have the opportunity to staff a virtual "booth," chat, and interview with job seekers via 1:1 video, provide webinar-style presentations on your organization, and follow-up with visitors directly to your Applicant Tracking System.

What do I need to do before the day of the event?

- Create job postings for your booth (you can list up to 99 job postings).
- Choose the categories you'd like your booth to represent in the lobby (i.e. region, industry/sector).
- Review registered jobseeker attendees for the event.
- Set your schedule, to allow jobseekers to book specific times to meet via video.
- Add information about your organization in your booth.
